Vineet Ramani

Founder

Born as a marketer, Vineet has pursued digital marketing as a career for years now. He's won the heads of hundreds of clients, helped build thousands of campaigns, and has worked on millions of ideas. So, who better to learn digital marketing than from the master of marketing himself?

Tanay Begani

Co-founder

Revered as one of the top strategists and managers Vaya Media has ever seen, Tanay was once an engineer who dreamed of doing something creative. As part of Vineet's inner circle since the first day of Vaya Media's inception, he knows the ins and outs of digital marketing better than any other traditional marketer.

Akansha Bhagwani

Head of Operations

As the 'Head of Operations' at Vaya Media, Akansha is the star of keeping all media strategies moving at all times. She has the brains of an engineer with the heart of a marketer, and there's no one better to teach you about the technical (and the creative) side of things.

Anurag Bagde

SEO Strategist

There's no better guy on this planet who understands industry trends better than Anurag does — sure, he's known for his punctuality, but here's something he's known better for: SEO strategies and website development. Every team needs someone who's always on top of their game, and for us, Anurag is that guy.
